I/we understand that any change or deviation in the building, site, or any portion of the improvement from the approved plans must be resubmitted to the committee for approval prior to such change being made and that an additional fee may be required. I/we further understand that any deviations from approved plans in actual construction may result in an order for an immediate halt in construction and a restoration of the property and/or improvement to its original condition or to a condition in conformance with the approved plans.
4. I/we understand that it is the responsibility of the owner to bear the cost of any corrections required by the committee because of the failure of the owner to follow the plans as approved by the committee. I/we further understand that deviation from the approved plans is a violation of Elkhorn Restrictions which may cause, among other penalties more fully defined in said Elkhorn Restrictions, a special assessment of up to \$50 per day to be imposed for each day said violation continues, and/or loss of Elkhorn amenities and that all unapproved construction be brought into conformance with the approved plans.
